41' Meridian 411 Sedan With Big 450 HP Cummins

- Year: 2005
- **Current Price: US\$ 229,000** (12/15)
- Located in Cape Coral, FL
- Hull Material: Fiberglass
- Engine/Fuel Type: Twin diesel
- YW# 74679-2915693

This 2005 411 Meridian is in super condition and is a very well-maintained yacht.

SHE HAS THE RARE LARGER 450 HP CUMMINS DIESELS THE RIDE ON THIS BOAT WITH THE 450 CUMMINS IS FAR MORE SUPERIOR THAN THE RIDE ON A 411 WITH SMALLER CUMMINS.

These 450 Cummins give her a cruising speed of 24 MPH @2000 RPM along with unbelievable fuel economy. This 411 will burn about the same amount of fuel as a 411 with smaller diesel motors, but will run about 10MPH faster.

For optimal comfort, the vessel has four air conditioning units, two in the salon, one in the side stateroom, and the other is in the forward stateroom.

When it comes to docking the 411, you will look like a pro with the bow thruster and a stern thruster. When you leave the dock you are self-contained thanks to the 11.5 KW generator in a sound shield.

Please note that the holding tank is flushed every time the boat goes out, so there are no odors inside the boat at all.

She has a full navigation package, which includes dual chart plotters, auto pilot, radar, and VHF. The vessel has a full and clear enclosure on the fly bridge. The captain seat and the jump seat next to it have been professionally updated. These seats are more comfortable than the original seats, they have also been raised a couple of inches to give the Captain and helmsman better visibility.

Inside the 411 is a very comfortable, practical, organized salon with a full galley up. Next to it is the dinette, which is also raised to give wonderful visibility outside. Also, there is plenty of natural light in the salon thanks to the large hull side windows.

There are 2 staterooms and 2 heads, along with a washer and dryer combo in the mid stateroom. Throughout the salon are carpet runners and the carpets show like new.

The engine room is as clean as the as the rest of the boat. This vessel has been previously dry stored inside during the summer months, so the Florida sun has not cooked the exterior gel coat.

For a showing on this fine 411 Meridian with the large 450 Cummins diesels, please do not hesitate to contact the listing broker at anytime.

Additional Specs, Equipment and Information:

Beam: 14.17 feet

Bridge Clearance: 15 feet

Engines

Engine Power: 900 HP

Tankage

Fuel: 400 gallon

Water: 150 gallon

Manufacturer Provided Description

The Meridian 411's elegant silhouette is beautifully complemented by many gracious amenities. Hull and deck designs are both stylish and functional. A wide-open cockpit provides an ample six feet of elbowroom. The salon features plenty of seating for everyone you invite aboard, while the master stateroom, with a generous queen-size island berth, provides all the comforts of home. Below, there's a standard island berth in the second stateroom for convenience. Stand-up access to the engine room allows for easy routine maintenance.

Engine Notes

MerCruiser diesel optional.
